

# USCSAHT Member Benefits

Ending slavery is everyone's work. We believe by working together, sharing our time, talent, and resources, we can have a greater impact on ending human trafficking and supporting survivors across the country. Please consider joining our network as a member today. Together we can realize a world without human trafficking and with a network of services and resources to inform the public, prevent the crime and assist survivors to achieve a fulfilling life!

## Here Are Some of the Benefits to Becoming a Member of USCSAHT

**1 INCREASED IMPACT:** There is only so much we can do as individuals, but by joining a national network your annual contribution can go a lot further and have a larger impact. As a member you will be listed on the USCSAHT website, showing your public commitment to ending human trafficking, and we will share your local events or news on our online platforms, amplifying your message and reaching a larger audience. USCSAHT membership also connects you to Talitha Kum, the International Network of Consecrated Life Against Human Trafficking.

**2 NETWORKING:** Members can communicate with one another sharing ideas, best practices, questions, etc. in our common work to end human trafficking and support survivors. USCSAHT will also use our platform to share your events and help connect you with others in your local area doing this work.

**3 ONGOING EDUCATION:** Members receive a monthly 'members only' newsletter filled with educational and prayer resources as well as ideas for taking action. Members also have access to our educational webinars covering a variety of topics related to advocacy, education, communications, and survivor support. As a USCSAHT member you will receive the most updated, accurate, and credible information in the anti-trafficking field.

**4 SHAPE PROGRAMMING:** As a member you can join any of the working groups such as education/resources, advocacy, survivor support, and communications. You can directly impact the content and programs we are offering and help shape the successful implementation of our goals and mission to raise awareness, prevent human trafficking, and support survivors.
